

EMERGENCY COMMUNICATION - MORSE CODE

MORSE CODE

Morse code is an efficient way to communicate about emergency situations since you can send such messages via ham radio transmitters with little power and less bandwidth than other standard voice communication tools.

Pause	Unit of Time
Dit (short pause) •1
Dah (long pause) ---3
Space between signals1
Space between letters3
Space between words7

FOR ALL EMERGENCIES:
CORAC runs a **HAM radio net** and **Signal groups**. If communication goes out for any length of time, meet outside your local Church at 9 a.m. on Saturday mornings if it is safe to do so. Tell friends at Church now in case you can't then. CORAC teams will be out looking for people to gather in and work with.

GROUND TO AIR SIGNALS

I Require Doctor Serious Injury	II Require Medical Supplies	X Unable to Proceed
F Require Food and Water	↑ Traveling in This Direction	LL All is O.K.
