Healings

Physical healings are happening in every session! Online, we have seen stage 4 cancer disappear, tumors and hernias vanish, spines straighten, arthritis healed, as well as all manner of pain brought to zero: hip pain, back pain, head pain, foot pain, wrist pain, knee pain, sun stroke pain and so much more, all in the Name of Jesus Christ!
We are living Mk 16:17-18.

How to Join

Send an email to Mary Jane. She'll register you and send you the link to get into the Zoom Room, which you'll received a day or so before Dec 4. You **MUST** be on time for the Healing Session which begins promptly at 7pm with the door closing at 7:05pm. Each participant must be on camera as being able to see the one for whom prayer is offered is an essential part of the prayer process.

Remember
