

Standing for Faith, Family & Freedom

Region 7 (the Breadbasket)

03/20/2021

A warm welcome to our newest members with CORAC. The Corps of Renewal and Charity looks forward to having you work with us as we "acknowledge God, take the next right step, and be a sign of hope for others."

The ACTION PACS newsletter arrives on Saturdays. The CALL TO ACTION newsletter arrives on some Wednesdays, **only if urgent news that requires immediate action.** Your email subject line will announce which one you receive.

I was reading in the news recently of the [stunning New Dead Sea Scrolls discovery](#) in 2017. I find it interesting that the first fragments of the Scrolls reconstructed were from Zechariah (8:16–17) and Nahum (1:5–6), two of many minor prophets in the Old Testament. I encourage you to look these verses up. When reading Zechariah start with verse 8:15, "so again I have planned in these days to do good to Jerusalem and to the house of Judah; fear not." And when reading Nahum finish with verse 1:7, "***The Lord is good, a stronghold in the day of trouble; He knows those who take refuge in Him.***"

There are many things occurring at this time. Many voices clamoring to be heard. One of the challenges is to discern the Lord's Will. Are our actions done in humility and for others? When we acknowledge God and take the next right step, we need to do so with humility ("is not thinking less of yourself, it is thinking of yourself less" according to C.S. Lewis) and charity ("a suffering and sacrificial love"). I believe it is then that we can be a sign of hope for others.

STATEMENT OF CONSCIENCE, TO AWAKEN CONSCIENCE

Bishop Strickland and “a panel of high-profile academics are contesting the “growing consensus among Catholic ethicists” that experimental vaccines derived from aborted fetal tissue are not “morally permissible,” but also “morally obligatory for the sake of the common good.””

Pray for those we find it difficult to forgive.

(“forgive us our trespasses as we forgive those who trespass against us”)

Mary, Undoer of Knots, pray for us.

Pray for all people, especially CORAC members, who have experienced a “Vaccine Adverse Event”. We need to build each other up, even when someone’s decision may not be ours.

Pray for men & women of good heart & good will working together.

Pray for our seminarians, religious, deacons, priests, and bishops that they become voices of truth.

Stella Maris, pray for us.

St. Joseph, terror of demons, pray for us.

A DEACON’S MIRACLE

Believe in the power of the Holy Spirit working within the Sacraments.

The dog in the photo was trained to identify life after earthquakes. His posture and the fact of staying fixed as seen in the image is the posture that tells the rescuer that there is life in that place....He is facing the Tabernacle in a Catholic Church.

[CDC Finds Nebraska Man's Death Not Linked to COVID-19 Vaccine](#)

Nothing to see here, just circumstantial evidence. Yeah, right! The CDC states that “reports of death to VAERS following vaccination do not necessarily mean the vaccine caused the death.” This case does not require you to be a doctor to question whether the “experimental biological agent” **CONTRIBUTED** to the man’s death! (Of course, they do not address that issue.) It would be nice if the CDC were forthcoming about their own conflicts of financial interest.
